

# Memorial Service for Dan Fine

**This Saturday, April 3<sup>rd</sup> at 1500 hours!**

Since this is the celebration of the black hat, anyone that would like to wear a black hat in Dan's honor is welcome to do so.

There will be lots of good food, the music Dan especially liked and anyone that would like to say a few words, funny, warm, etc., is encouraged to do so, because we haven't made arrangements for a speaker. This is to be a celebration, more like a wake!!!

The driving directions are as follows:

From the south, we are 6 miles north of I-40 on Cornwell/Piedmont Road to Britton Road (flashing light). Turn left (west) on Britton Road and travel 4 miles to Cimarron Road, turn right (north) and travel 1 1/2 miles to the second house on the right. There is a tan pipe and cable fence in front of the house. The driveway is between the round pen and the arena.

Coming from NW OKC or Edmond area and any place north, the easiest way is to take the Kilpatrick Turnpike to the Hefner/Morgan Road exit and go to the NW Expressway, turn right on the expressway and travel 8 1/2 miles to Cimarron Road. Turn south on Cimarron Road and travel 3 1/2 miles to 11630 North Cimarron Road. You might warn anyone that comes that way that they replaced a bridge just south of the expressway and did not repave, so it is gravel for a short distance. The winter has not been good to our road but it is passable.

You can send out our telephone numbers if you would like and anyone that has difficulty finding us can call. We'll either give further directions or go find them.

Thanks so much for your help.
