

Tuition for the Basic Code Class and the Property Maintenance Class is \$200.00 for each class for all OCEA members. Non-member tuition is \$250.00; the extra \$50.00 above the member rate is the cost of membership, so you will become a member after paying for the class. Fees for classes must be paid in advance and there will be no refunds unless exigent circumstances exist & subsequently sustained by The Board.

The Spring Conference fee is \$200.00, which includes the cost of the banquet. There is a fee for guest banquet tickets and is required to be paid in advance.

The Fall Conference will continue to be free as long as funding exists to do so. We are striving to continue to provide one free conference per year so that those whose employers will not pay for a conference may at least allow them to attend a free one. Networking is important and we want to continue to provide an avenue to do so without having to pay any fees to attend.
